

## **REMARKS**

### **Entry of Amendment**

As Applicants are merely amending Claim 48 to delete reference to canceled Claim 20, it is respectfully requested that this amendment be entered and allowed. The remaining pending claims have been allowed.

### **Allowance of Claims**

Applicants appreciate the Examiner's allowance of Claims 37-40, 43, 53-62, 64-69, 71, 72, 75-80, 105-122, 145-155 and 157-162.

### **Claim Rejections – 35 USC §112**

In the Final Rejection, the Examiner rejects Claim 48 under 35 USC 112, second paragraph, as being indefinite for being dependent on Claim 20 which was canceled. Accordingly, Applicants are amending Claim 48 to delete the reference to Claim 20. This amendment should overcome this rejection, and it is respectfully requested that this rejection be withdrawn.

As the Examiner states that Claim 48 would be allowable if rewritten to overcome the 112 rejection, it is respectfully requested that this claim now be allowed.

### **Information Disclosure Statement**

Applicants are submitting herewith a copy of the publication (US 2010/0021624) of divisional application (12/467,497) and the office action and final rejection issued in that action.

Conclusion

It is respectfully submitted that the present application is in a condition for allowance and should be allowed.

If any fee should be due for this amendment and/or the IDS, please charge our deposit account 23-0920.

Favorable reconsideration is earnestly solicited.
